The annual Oldies Night to Remember is one of the most popular events of the year, with tickets selling out each spring. The event has allowed us to reach new fundraising milestones and features great food, musical entertainment and an extraordinary cause.

Our 17th annual event promises to be another fun-filled evening, featuring The Infernos and inspiring stories from families who have received support by Family Reach. Get ready for an unforgettable evening, all to raise funds for families fighting cancer.

## Our Mission of Hope, Care and Compassion Family of Emma

The Wymans

Baby Emma was diagnosed with an undifferentiated sarcoma on June 26th, 2015. Soon after, during her first chemotherapy treatment, she suffered a stroke. Emma was transferred to the PICU, and parents Lindsey and AJ prepared for a 3 month stay in Children's Hospital of Philadelphia. During those 3 months, Emma bravely faced surgery, chemotherapy, and began her rehabilitation to gain functioning back on the left side of her body. Lindsay and AJ began to see the bills come piling in. They were left wondering how they would cover their everyday expenses, while managing the cost of calling the hospital home. Family Reach stepped in and made a mortgage payment. AJ writes, "We were going through so much for Emma and the relief of the financial burden that was taken off our shoulders cannot be accurately described".
