

REACH LEADERSHIP

THE PROBLEM: Every day, families battling cancer are making dangerous decisions – to skip a scan, to miss a chemotherapy appointment – just to keep a roof over their head and food on the table.

THE SOLUTION: Family Reach works directly with more than 300 hospitals across the country to provide immediate financial assistance, navigation and education to families battling cancer.

OUR MISSION: Family Reach is a financial lifeline for families fighting cancer.

What is the Reach Leadership Club?

A group of passionate, like-minded young leaders that are dedicated to building awareness for Family Reach’s mission through fundraising events, advocacy and volunteerism. Reach Leaders will learn what it takes to successfully create, run and manage various fundraising events while gaining invaluable entrepreneurial and team-building skills.

Benefits

- Develop leadership skills
- Receive networking and career development opportunities with other philanthropic individuals
- Plan and attend fun social events
- Resume builder

Commitment

- Attend monthly meetings (if schedule permits)
- Join Reach Leadership events (if schedule permits)
- Act as a Family Reach Ambassador to spread awareness of our mission and foster engagement with donors and volunteers.
