

Family Reach Reach Athlete Release Form & Contribution Agreement

2026 TCS New York City Marathon

Release Form & Contribution Agreement

In consideration of my acceptance of this entry, I hereby for myself, me heirs, executors and administrators, waive and release all rights for claims and damages I may have against Family Reach and its employees, volunteers, coaches, representatives, agents, consultants and sponsors for any and all injuries suffered or sustained by me in said event and in the training and planning sessions for said event or travel to and from any of the preceding. I further attest and certify that I am physically fit and will have sufficiently trained for competition in this event and a licensed medical doctor has verified my physical condition, if necessary. I also grant permission for use of my name and/or photograph or voice in broadcast, telecast, print or any other account of this event and agree to waive any compensation for such use.

I agree to fundraise a minimum of \$8,000 for Family Reach by Sunday, November 1, 2026. If I have not reached the minimum sponsorship by said date, I will be personally responsible for the balance owed. I fully understand that Family Reach reserves the right to charge the balance I owe to my credit card provided at the time of acceptance to the team regardless of cancellation on the part of the participant or the event (see “Cancellation Policy”). I declare that I have exercised my own judgment in signing this agreement and I further declare that the decision to sign this agreement is my own.

ALL RUNNERS MUST RAISE THE MINIMUM FUNDRAISING BY THE FUNDRAISING DEADLINE (NOVEMBER 1, 2026). BIB PICKUP WILL BE DENIED IF A RUNNER HAS FAILED TO FUNDRAISE AND/OR COMMUNICATE WITH THE ORGANIZATION.

Fundraising Timeline

The following fundraising milestones are guidelines for success and should be met by each date by the participant. The difference in amount raised will be charged to the card on file on these dates via GivenGain if a milestone is not met.

I agree to work toward each milestone and I understand that I must communicate with Family Reach if I fail to meet (or anticipate failure in meeting) a milestone by the

deadlines listed below. Family Reach reserves the right to charge runners for the following amounts at each of the below dates if it is determined that failure is due to lack of effort or intent and communication between the participant and the organization is not maintained. Runners are encouraged to communicate regularly with the organization regarding fundraising milestones as the goal of the organization is to aid participants in exceeding the following standards prior to the scheduled dates.

Nonprofit Runners:

April 1st - \$2,000 minimum
June 1st - \$4,000 minimum
August 1st - \$6,000 minimum
November 1st- \$8,000 minimum

Race Registration

You will receive race registration instructions after your application has been accepted and you have raised the sufficient amount of funds to be determined by Family Reach. All questions regarding race registration should be communicated directly to Family Reach.

Cancellation Policy

Once you accept your place as a Reach Athlete for Family Reach, you are responsible for raising the minimum \$8,000 even if, for any reason including injury, you are unable to run in the race, or if the race is cancelled or amended for any reason including illness. If you cancel participation, your credit card will be charged the balance of your fundraising commitment. Family Reach has your consent to do this. Donations raised and received by our office will not be refunded for any reason.

Matching Gift Policy

You will receive race registration instructions after your application has been accepted and you have raised the sufficient amount of funds to be determined by Family Reach. All questions regarding race registration should be communicated directly to Family Reach.

PLEASE NOTE: While matching gift programs are encouraged and should be taken advantage of whenever possible, donations from these programs are often processed over long periods of time (monthly, quarterly, etc.) and are not always sent to the organization with reference to individual runners. Therefore, matching

gifts may be considered a general donation to the team, and will be allocated as funds over and above the fundraising minimum if received after the fundraising deadline. It is your responsibility to contact the company to provide all matching gift information and ensure that the gift is processed.

Medical Authorization

In the event of an illness, injury or medical emergency arising during the event or in the training and planning sessions for said event, I hereby authorize and give my consent to the organization to secure from an accredited hospital, clinic and/or physician any treatment deemed necessary for my immediate care. I agree that I will be fully responsible for payment of any and all medical services and treatment rendered to me including but not limited to medical transport, medication treatment and hospitalization.

Fulfillment of Agreement

In the situation of a runner who defaults on this agreement and their credit card is not valid for any reason, the organization reserves the right to pursue collection of the debt and the runner will be responsible for any and all legal fees incurred by Family Reach with this collection process. Credit card information will be collected upon set-up of a personal fundraising page through a separate form to be signed by the runner.

Acceptance of Terms

I have reviewed the Family Reach / Reach Athlete agreement and understand all the terms and conditions of my participation in the program. I am confirming the information listed in my application is complete and accurate.
